who have finished three active trimesters in Benilde

- 1. PRINT OR TYPE YOUR ANSWERS.
- 2. Answer the questions honestly and concisely.
- 3. Upon completion, submit to SGO together with the completed Grant Application Form (GAF).

Program / Course:
Address:
Residence Tel. No: Mobile Phone:

- 1. Describe your general situation in life at present.
- 2. How would you compare your financial standing when you first entered Benilde with your present financial status?
- 3. What event has recently transpired that has put you and/or your family in financial crisis?
- 4. Given someone who is in a similar situation as you are, what reasons would you say would justify your being given a higher subsidy by the College over that person?
- 5. The duration of the Pierre Romançon Grant is three trimesters. How much financial assistance in terms of discount (in percent) from your tuition fee do you think would help ease the burden of finances for the coming three trimesters?
- 6. If ever you are awarded the Pierre Romançon Grant, what would you say your chances are of being able to comply with the retention of NOT incurring any failure or withdrawal and maintaining a term GPA of 2.0 or better?
